24th October 2019

Dear Parent/Carer,

Before we broke up, I wanted to personally write to inform you that Mr Rogers will leave his post as Principal of Litherland High School at the end of October.

We would like to thank him for all that he has achieved during his time at the school and wish him the very best for the future. As you will be aware, the school has achieved a great deal over recent years. Not only have results strengthened, but Litherland High has also been recognised as being a Centre of Excellence for Inclusion for our focus on going the extra mile to meet the needs of all the students.

This is an ethos that is central to the "Success for All" at Litherland High, which is why we have worked quickly to ensure that we can continue to build on the progress that has been made.

I have, therefore, asked David Yates to take on the role of Interim Principal. As many of you will be aware, Mr Yates has been working at the school since the start of the academic year and has already built some strong relationships with both the staff and students. Given that Mr Yates is also an experienced educationalist and Headteacher with a strong track-record of supporting a number of schools, I have every confidence that he will be able to work with our dedicated team of staff to keep the school on a very strong trajectory.

Moving forward, The Heath Family (NW) is working closely with the Senior Leadership Team of the school and, along with the Governors, we will be ensuring that the focus of Litherland High School remains constant. The school will continue to provide a welcoming, safe and stimulating learning environment for your children, giving them the very best opportunities to achieve their full potential.

I will write to keep you updated about plans for the longer-term leadership of the school over the coming months.

Many thanks,

David Donnelly
Chief Executive Officer
